## achievements/skills

**2010 American Graphic Design Award Winner**

I have a cunning eye for detail and design, and a gift for grabbing attention through art. I am skilled in both Mac & Windows operating systems. I have expert knowledge of many design programs including: Photoshop; Illustrator; InDesign; Dreamweaver; Flash; AfterEffects; Director; Premier; Quark XPress; HTML; CSS; Java and much more. I have a great work ethic and an excellent ability to adapt to any team or workflow.
